

Aberdeen City Council
Job Profile

Glazier

About Aberdeen City Council

Our purpose is to ensure the People and Place of Aberdeen prosper and to protect the People and Place from harm.

The [Local Outcome Improvement Plan 2016 – 2026](#) (LOIP) identifies how Aberdeen City Council, together with our [Community Planning Partners](#), will tackle the key issues facing our city to ensure Aberdeen is a place where all people prosper. The LOIP sets out our shared promises to the people of Aberdeen:

- **Prosperous Economy** - Aberdeen has a flourishing, thriving and successful local economy.
- **Prosperous People** - People in Aberdeen are happy, healthy and enjoy positive life outcomes.
- **Prosperous Place** - People experience Aberdeen as the best place to invest, live and visit.
- **Enabling Technology** - Innovative, integrated and transformed public services.

To deliver our promises to the city of Aberdeen, our focus is on:

- Empowering staff to meet priority outcomes
- Empowering the communities, we serve to be self-sufficient
- Early intervention and prevention of harm to the people, place and economy of Aberdeen
- Connecting with citizens, customers and partners through our use of digital
- Using data and information to help us understand the demand on the Council and how we can better meet our outcomes
- Being entrepreneurial - creative and innovative in how we do our business.

We count on our employees to be enthusiastic and proactive public servants, who are committed to our purpose and motivated to make a positive and lasting difference to the city and its people.

Aberdeen City Council is arranged into three functions, two of which are aligned to the wider determinates of good health and the final function focussed on good governance. Each function is divided into clusters, and within each cluster are service areas/teams. Teams from across the Council prioritise working together with local and regional partners to ensure a collective focus on improving outcomes for our citizens in keeping with the wider determinates of good health.

About the Families & Communities Function

The function comprises Education & Lifelong Learning, Housing, Children's Social Work & Family Support, and Corporate Landlord which is responsible for the physical assets associated with each of these service areas. The function will ensure that services are delivered in an integrated manner to achieve better outcomes for people in Aberdeen City, within the framework of statutory responsibilities and consistent with the Council's strategic objectives.

The function leads the development and delivery of a Family Support Model to enable delivery of The Promise and closer multi-disciplinary working at locality and neighbourhood level. It provides vision, leadership, strategic direction and professional advice to enable successful delivery the council's and Community Planning Partnership's priorities for families and our communities. The function facilitates multi-agency working at the most local level to support children and families; and ensure readiness and effective implementation of anticipated reforms to further strengthen the model of Family Support.

About the Corporate Landlord Cluster

Consolidates all our corporate landlord activities, which include the consolidation of all health and safety activities, and is responsible for the management of commercial and non-commercial land and property assets, facilities management, contractor management and council house stock management.

About the **Building Services** Team / Service Area

Building Services plays an important role delivering repairs, maintenance and some of the improvement work necessary to deliver the wider property maintenance and investment service. Building Services scope includes provision of responsive, planned, and cyclical maintenance, void services, capital improvement refurbishments, adaptations and projects as well as ensuring delivery of statutory compliance for council tenants, public buildings and external (public sector) clients within the boundaries of Aberdeen City.

About the Role

To assist in domestic, commercial and industrial building maintenance by carrying out glazing repairs and upgrades to Aberdeen City Council's public infrastructure.
