[Job Profile]

Recruitment Process and Key Dates

Apply online at www.myjobscotland.gov.uk. Applications should be submitted online using the forms provided through the myjobscotland portal.

CVs will not be considered.

All applications must be received by 11.59pm on the closing date. Late applications will not be considered.

Your application form should contain sufficient information and evidence to demonstrate that you have the skills and experience required for the post.

KEY DATES

We would ask that you note the dates of the recruitment timetable and ensure you are available to meet the scheduled arrangements.

- Closing date: 23/11/2026

You will be notified by email at each stage of the process. Please ensure that you check your junk/spam as sometime emails from my job Scotland go into there.

We will advise all candidates of the outcome of the recruitment process as soon as possible.

If you are the successful candidate:

(a) You will be asked to submit a completed pre placement health questionnaire so that the necessary medical clearance can be obtained prior to commencement of employment.

(b) We require **two** references. Your reference will be written to after interview. One must be from your current or most recent employer who may be contacted and can comment on your experience and competence for this post. Please state their position in the company / organisation. It would be helpful if you could advise your referees of these arrangements. Please ensure that the email address is correct for them on the application form before submitting as we contact all references by email, as this may delay the manager confirming a start date with you.

(c) You may, depending on the type of post, be required to undergo a PVG/Disclosure check prior to a formal offer of employment being made by Clackmannanshire Council. This is now an online form, which you will be emailed a link and you only have 7 days to complete.

If successful, detailed statements of particulars will be provided to you via email once all satisfactory pre-employments have been received.

Job Profile

This job profile sets out the principal responsibilities of the post at the time it was compiled. Such duties may vary from time to time without changing the general character of the duties or the level of the responsibility entailed. Such variations are a common occurrence and cannot themselves justify a reconsideration of the grading of the post.

Section G

PHYSICAL CO-ORDINATION

This section details the predominant demand for physical skills and co-ordination required to undertake this job. For example: operation of hand tools, keyboard skills, driving and other equipment.

This work predominantly involves Manual Handling task, which include lifting heavy of materials, such as kerbs, slabs etc. Repetitive pushing and pulling movements, operating mechanical plant and machinery. This job also requires the ability to operate 7.5t HGV vehicles (Only if your licence category permits this) and tow trailers. Operating JCB 2CX tractors, heavy compaction rollers, compaction plates, stihlsaw, floorsaw and hydraulic breakers will also be required.

Section H

MENTAL SKILLS

This section details the level of problem solving, analysis, creativity, forward planning/scheduling required.

The post holder will be required to solve basic problem solving during his/her daily tasks but will mainly refer any demanding issues to their Specialist Foreperson or Supervisor.

No forward planning or scheduling will be required for this post.

Section I

CONCENTRATION

This section details the work related pressures which may make concentration more difficult and also the responsiveness required of the job holder. For example: Service related deadlines, internal /external deadlines, conflicting demands.

Focused attention will be required for certain jobs, including abrasive wheel work, working in live traffic situations to set up traffic management for sites.

Heath & Safety issues working with heavy plant to carry out daily duties.

Driving and working in adverse weather conditions will be necessary for winter maintenance and sometimes normal duties.

Section J

COMMUNICATIONS SKILLS AND DEALING WITH RELATIONSHIPS

This section notes examples of the individuals or organisations with whom the post holder will come into regular contact and explains the nature of the communication and level of skill required by the post holder. E.g. dealing with complaints, clients etc.

Applicants must have the ability to:

- Ability to work without supervision on routine tasks.
- To manage their allocated workload in line with other squad members.
- To ensure that daily work tickets information is provided to their Specialist Foreperson or Supervisor. Make sure all delivery notes are provided to the Operational Supervisor at the end of the working day.

Section K

PHYSICAL ASSETS,DATA AND FINANCIAL RESOURCES

This sections details responsibility for **physical assets**, e.g. vehicles, buildings, stock control/procurement, **data** e.g. computers, record keeping **financial** the direct/indirect responsibilities for financial resources, from handing cash and cheques, through processing invoices and other financial transactions, to accounting for financial resources and budgetary activities.

Drivers will be responsible for safety of any Council vehicle or plant they are operating and must report any defects or damage to their Operations Supervisor or Fleet Department. Post holder will be responsible for any materials they sign for and instructed to uplift by their direct line managers. Post holder will be responsible for keeping in good order any PPE supplied by Clackmannanshire Council.

Section L
INITIATIVE AND INDEPENDENCE
This section details the problems which the post holder must deal with in the course of normal working, the decisions which the jobholder is able to take, and the extent to which advice and guidance is available (Note, these are illustrative and are not exhaustive).

Using you own initiative is welcomed, as a level of independence may be given to the post holder when required for smaller works but post holder will be mainly guided by his/her Specialist Foreperson or Operations Supervisor on a daily basis.

Section M
EQUAL OPPORTUNITIES

Staff are expected to promote equality of opportunity.

As a member of staff you will be expected to uphold and promote the Council's policy commitments to equality and diversity and its legal obligations under the Equality Act as well as ensuring the fair, equitable and non-discriminatory treatment of service users, colleagues and partners.

Section N
HEALTH AND SAFETY

The Council must abide by relevant health & safety and employment law, as well as the common law duty of care. All members of staff are required to take care of their personal health and safety and that of others who may be affected by their actions or inactions. You are therefore required to carry out your duties in a safe manner in accordance with instructions and in compliance with safety rules/procedures, regulations and current and appropriate codes of practice. You are required to advise your line manager if you become aware of any unsafe practice or condition or if you have any other safety concerns and must comply with accident and near-miss reporting procedures.

If you supervise, manage or lead other staff, you are also responsible for ensuring that the Council's operations are carried out in such a way that ensures, so far as is reasonably practicable, the health, safety and welfare of those staff and that of any others who may be affected. You will therefore conduct relevant risk assessments and assign duties with appropriate instructions, in compliance with safety rules/procedures, regulations and codes of practice. You will address and/or escalate any issues of any unsafe practice, condition or any other safety concerns you identify or that are brought to your attention, taking appropriate advice as necessary and will ensure that accident and near-miss reporting procedures are understood and complied with.

Section 0
CLIMATE CHANGE

The Council agrees that climate change is one of the most serious challenges facing its communities and across the world and understands that meaningful action at international, national and local level is required in order to safeguard our planet for future generations. As a member of staff you are asked to uphold and promote the Council's net zero targets and its statutory requirements to reduce greenhouse gas emissions as part of the Public Bodies Climate Change Duty reporting process.
