Welcome

Clackmannanshire Council's Sport and Leisure Team delivers a wide range of sport, physical activity and wellbeing programmes for people of all ages across the local authority. Through our Active Communities programme, we provide opportunities for adults to improve their health, wellbeing and social connections through a diverse range of activities and exercise classes.

We also deliver extensive Active Schools and Sports Development programmes, creating opportunities for children and young people to participate, develop skills and enjoy positive experiences through sport and physical activity. As a Lead Sports Coach (Relief), you may support the delivery of activities within our adult programmes, our children's and young people's programmes, or a combination of both, depending on your skills, qualifications, experience and availability.

This is an exciting opportunity to play a part in improving lives through sport and physical activity while helping us provide high-quality, inclusive opportunities across Clackmannanshire.

We look forward to reading your application!
