

Dumfries Learning Town

The development of the Dumfries Learning Town demonstrates our commitment to delivering equity and excellence for all of our learners across Dumfries Burgh.

The Dumfries Learning Town Schools work in collaboration with our key learning and community partners to provide the learning environments and frameworks which support the delivery of learning experiences and learner pathways which meet the needs of all learners and consequently improve the outcomes and life chances of all of our young people.

The successful candidate may also be offered the opportunity to work in other Dumfries Learning Town schools and/or the Bridge to deliver courses as part of the BGE and/or senior phase curriculum as appropriate to meet the needs of our learners.

The successful candidate will have a genuine enthusiasm for teaching and have passion for the subject ensuring that the learning is a positive and successful experience for all. The successful candidate should be able to be flexible, creative and innovative in relation to their approach to delivering education to our young people.
