Information for Applicants

Protecting Vulnerable Groups Scheme and Disclosure Scotland Checks

You have requested information on a position within the council that requires either a PVG or Disclosure check. The level of check required will be detailed on the Job Description.

In order to protect young and adult people at risk Scottish Borders Council is required to undertake checks for the following individuals:

- Employees: Current staff and candidates who have been recommended for specified types of posts i.e. posts working with vulnerable groups (children or protected adults).
- Other people: Volunteers working with vulnerable groups, Foster Parents, prospective adopters, Children's Hearing members, Host Parents, Elected Members who sit on certain committees.

Certain other specified positions also require checks to be undertaken.

Legislation makes it an offence for the council to offer employment or to continue to employ someone who has been found to be unsuitable to work with children or protected adults.

Undertaking PVG Disclosure checks ensures that we comply with this legislation.

Under the terms of the Rehabilitation of Offenders Act 1974 (Exclusions and Exceptions) (Scotland) Order 2003 Scottish Borders Council are entitled to ask "exempted questions" that require applicants to reveal their full criminal history.

An "exempted question" is a question which employers are not normally allowed to ask in relation to a person's criminal conviction history. Under the terms of the Rehabilitation of Offenders Act 1974 offenders become rehabilitated after varying periods of time and their conviction(s) deemed "spent", depending on the sentence imposed and whether they have re-offended. The Act provides that a spent conviction need not normally be disclosed by the individual, except in situations where information about spent convictions needs to be available. There are a number of positions with the Council where both spent and unspent convictions must be disclosed e.g. positions involving contact with children and/or adults at risk.

Under the PVG Scheme:

When a person applies to join the PVG Scheme for the first time there are two types of disclosure record available:

- the **Scheme Record (and subsequently a Scheme Record Update)** at the request of an organisation.
- the **Scheme Membership Statement** at the request of a **personal employer** or by the individual alone in anticipation of doing regulated work in the future;

The Scheme Record states the type of work the person is registered for, whether work with children, protected adults or both and whether they are under consideration of being barred. It also contains details of all convictions on record, whether spent or unspent, and other relevant non-conviction information held by Disclosure Scotland.

A Scheme Record Update states the type of work the person is registered for, and whether they are under consideration of being barred. It also confirms the date of issue of the last Scheme Record, whether or not any further information is recorded on that Scheme Record and whether or not any further information has subsequently been recorded.

Depending on the contents of the Update it may be necessary to obtain a Scheme Record.

A Scheme Membership Statement simply states the type of work the person is registered for, and whether they are under consideration of being barred.

Under the Police Act:

There are different types of Disclosure Certificate:

Level 2 Disclosures are available for certain purposes including those involved in the administration of the law, and senior managers in banking and financial services. A Level 2 Disclosure will contain details of all convictions on record, whether spent or unspent. This means that even minor convictions, no matter when they occurred, will be included on the Disclosure.

A Level 1 is also available, however this can be obtained only by an individual rather than an organisation, as long as they apply in the appropriate manner and pay the relevant fee. Level 1 Disclosures include all convictions considered to be unspent under the Rehabilitation of Offenders Act or state that there are no such convictions
