

EMPLOYEE BENEFITS

WITH SCOTTISH BORDERS COUNCIL

WORK LIFE BALANCE AND FAMILY FRIENDLY POLICY

We have various policies in place to support employees in their work life balance and family commitments, for example:

- Family leave guidelines (including maternity, shared parental, adoption and ordinary parental leave)
- Flexible working options, depending on the needs of the service
- Job share
- Blended working, depending on the needs of the service. Employees and managers are now accustomed to working in different ways, in particular in working remotely without attending the office.
- Special Leave
- Annual leave and public holidays - 29 days annual leave entitlement, rising to 34 days after five years' service, plus 6 fixed/public holidays.

PENSION SCHEME

We offer membership of an occupational pension scheme to all staff (except non teaching staff with a contract of less than three months). Teachers join the Scottish Teachers Superannuation Scheme, and non-teaching staff join the Local Government Pension Scheme. Both schemes are statutory schemes and are very secure because their benefits are defined and set out in law.
