Role purpose

This role will assist in the development of the SBC strategic direction and management of its buildings and assets portfolio, particularly in relation to energy issues/net zero emissions/decarbonisation where the postholder will lead on this subject. This activity will support the implementation of Estate Rationalisation, Optimisation and Decarbonisation targets which were agreed by Council in March 2024.

As well as taking the lead role in collating and analysing emissions data, the postholder will be expected to make a significant contribution to Council plans and proposals relating to the Estate Rationalisation, Optimisation and Decarbonisation objectives.

The role is critical to the successful delivery of the Council's Net Zero commitments and responsibilities, and the post holder will lead on the integration of energy-related matters across all services within the Estates division in particular, as well as more widely across the Council.
