

## JOB DESCRIPTION

# Home Care Assistant

Care at Home • North Lanarkshire • Full-time

### LOCATION

North Lanarkshire

### EMPLOYMENT TYPE

Full-time

### PAY

£13.45 / hour

## About Melbrid Care

Melbrid Care is a dedicated domiciliary care provider committed to delivering high-quality, person-centred care in the comfort of our clients' own homes. We support individuals across North Lanarkshire to live independently with dignity, respect, and compassion.

## The Role

We are looking for caring, reliable, and motivated individuals to join our team as Home Care Assistants. You will provide personal care, companionship, and practical support to clients in their own homes.

## Key Responsibilities

- Assist clients with personal care (washing, dressing, toileting)
- Support with medication prompts and administration
- Prepare meals and assist with feeding where required
- Provide companionship and emotional support
- Maintain accurate care records and daily logs
- Report changes in clients' condition to the office
- Work flexibly to cover visits as scheduled

## What We Offer

### £13.45 per hour

A competitive hourly rate of pay.

### Mileage paid

Travel expenses covered between visits.

### SVQ / SCQF Level 6 support

Funded help to attain your qualifications — we support you every step of the way.

### SSSC registration support

Guidance through the registration process.

### PVG check covered

We handle the costs of your PVG check.

### Regular supervisions

Ongoing support and professional development.

### Full training provided

No previous experience necessary — we give you everything you need to succeed.

## Requirements

- Own car and a full UK driving licence (essential)
- Caring and compassionate nature
- Good communication skills
- Reliability and punctuality
- Previous care experience is desirable but not essential

## How to Apply

Send your CV and a short cover letter to:
